6	O.H. Left	14		22		30	
7	Guitar Amp	15		23		31	
8	Bass DI	16		24		32	

NOTES

- Input 12 - Drummer controls Tracks from laptop (need a DI to run 1/4 inch cable from interface)
- We run a very simple in-ear system. We need two xlr lines for Lead Vox and BGV transmitters and one line to drummer's personal mixer beside him
